

DIRECTOR OF REAL ESTATE

Island Housing Trust (IHT) seeks a motivated and experienced affordable housing developer to lead our Real Estate Department. IHT is the leading non-profit developer of year-round, affordable housing on the island of Martha's Vineyard (MA). We are an active and growing Community Development Corporation (CDC) and a Community Land Trust (CLT), supporting a diverse and vital community.

Over the past 16 years, IHT has developed 140 homeownership and rental units for year-round low-and-moderate-income individuals and families throughout Martha's Vineyard. Our mission is to help eliminate housing insecurity in our community by creating an additional 150 year-round ownership and rental homes, together with our partners and supporters, by the end of 2025.

IHT currently has a staff of 10 part-time and full-time employees, an active board of 13 directors, an annual operating budget of \$1.6 million and assets of over \$30 million.

Real Estate at Island Housing Trust

IHT builds high quality, energy-efficient rental and homeownership housing and neighborhoods. We collaborate with a range of public and private partners to meet the affordable and workforce housing needs of the Martha's Vineyard community.

We currently are working on a range of real estate projects in various stages of development, including 36 rental and 4 ownership units at Meshacket Commons in Edgartown, and 60 rental apartments (over two phases) in Oak Bluffs, together with our development partner Affirmative Investments. This represents the island's largest commitment to affordable housing in over 15 years. In addition, we are developing 4 rental apartments in Aquinnah, 8 rental apartments for over-55-years-old households in West Tisbury, 8 rental apartments for school employees in West Tisbury, and 8 workforce ownership homes in Tisbury.

We continue to build our pipeline of development projects, and develop programs to assist in the creation of accessory dwelling units and ownership opportunities to meet the spectrum of affordable and workforce housing needs across our island community. We have increased our asset management responsibilities as we have increased our portfolio of properties.

The Director of Real Estate

The Director of Real Estate will have primary responsibility for leading and supporting the implementation of IHT's dynamic and growing real estate activities, including direct supervision of the Project Director and oversight of the project and program development and asset management efforts of the department. They will report to the CEO, and will collaborate closely with the CEO and CFO.
