

## WAYS TO GIVE: DONOR ADVISED FUND

A donor advised fund (DAF) is like a charitable investment account for the sole purpose of supporting charitable organizations you care about. Donor advised funds are one of the fastest-growing charitable giving vehicles in the United States because they are one of the easiest and most tax advantageous ways to give to charity.

When you contribute cash, securities or other assets to a DAF, you are typically eligible to take an immediate tax deduction and can recommend grants be directed toward IHT.

IHT accepts gifts as recommended grants from DAFs as one-time donations and recurring grants. If a donor intends to utilize funds from a DAF for recurring grants, then the donor should sign a non-binding letter of intent with IHT.

For one-time donations, please work with your DAF to recommend your grant to IHT. If you're interested in making a recurring grant via your DAF, please contact IHT Advancement Manager Erin Hepfner at [ehopfner@ihtmv.org](mailto:ehopfner@ihtmv.org).
