

WAYS TO GIVE: GIFTS OF STOCK

IHT will accept gifts of readily marketable securities.

When you contribute securities directly to IHT, we gain the full proceeds from the sale, and you potentially eliminate capital gains exposure.

We will sell the stocks, transfer the funds and send you a letter acknowledging your generous donation.

If you choose to send your gift by utilizing securities, please email Erin Hepfner, Advancement Manager, at ehopfner@ihtmv.org. She will provide you with the instructions you need to make your stock donation. Your donation will be acknowledged at the current market value of the day of stock transfer.
